

Imagin | Chinchilla

Brand Imagin

Decorative patterned glasses

- Decorative glasses in which the design is printed onto one or both sides of a clear, bronze or yellow sheet of glass
- More than 40 geometric, stylised, figurative, classical or exclusive designs, with or without metal mesh (see wired glasses)
- Thicknesses: 3 to 19mm
- Translucence is determined by the structure and design.
- Can be toughened, laminated, sandblasted or assembled in double glazing depending on the design and thickness

Interior applications: showers, furniture, etc.

Exterior applications: doors and windows, etc.
